Dear M.C. Perry Families,

The school cafeteria uses the Lunch Time Computer System as a way of tracking the student's school lunch accounts. The Lunchtime system is a **Pre Paid System**. A cash/check deposit is required in the student's lunch account. Each day when the student eats lunch the account is debited. The Lunch Time System is designed to operate from a student's assigned number or with the use of biometrics. If a student does not have enough lunch money the system only permits a standard school lunch to be charged to the account. It is not possible to charge a-la-carte. Example, if a student brings lunch and need to purchase a beverage he or she must have sufficient funds in his/or her account or render payment at the register. If you do not wish your student to purchase a-la-carte items please visit the cafeteria to place restrictions on your students account.

Cash or check payments can be made in the cafeteria during school hours on regular school days, and the MCX cash cage. Payments made at the MCX will post the following business day. If you choose to send payment with the student please place it in a sealed envelope clearly marked with your child's name and homeroom teacher. You may check the balance of the student's account during school hours by using the following contact information phone number 253-3378, e-mail ombiwaschoollunchprogram@usmc-mccs.org or in person at bldg# 550(school cafeteria). All visitors are required to sign in either of the school offices. In many cases one family member has funds while one is zero funds may be transferred from one family member's account to another family member's account to prevent negative account balances. If you **do not want funds transferred you must notify the cafeteria manager**.

It is the responsibility of the parent or guardian to maintain their student's lunch account. Please verify your e-mail address with the cafeteria staff to ensure you are receiving low balance notifications. Balance notifications will be sent via e-mail every Wednesday. Nonpayment will result in the sponsor's command being contacted. Please notify the cafeteria manager if your student has Special Dietary Needs.

Thank you,
School Cafeteria Staff
